with Barry Bettman, PCC - Professional Certified Coach

Barry Bettman, PCC has been a professional certified coach for over 13 years. His specialty is busting barriers with specific precision. Barry has coached and trained individuals & teams for higher performance in business and more personal satisfaction in people lives.

This 2 hour workshop will be "Knowing You ... a precise journey on Accessing your Inner Knowing". The evening will be a combination of just-in-time-training on "Accessing Your Inner Knowing" as well as experiencing the "Path of Inquiry" into your inner knowing.

Have you ever been conflicted by what your minds says vs. what your intuition says? Are you a bit hesitant when making decisions as you head tells you one thing and your gut says something else?

Then come to this 2 hour evening workshop and experience accessing your inner knowing, no matter what your mind or head says. Learn specific ways to live from your knowing all the time!

This is an outstanding opportunity for "knowing yourself". Please call For Goodness Sake at 530-550-8981 or email info@goodnesssake.org to register. We are sure that this presentation will fill up quickly. No charge.
