## Developing Your Core Potential With Peter Tongue August 24th, 7-9:30pm

A talk and a coherent meditation for World Peace, aligned with the new moon.

'Shifting Your Vision in Challenging Times'

Peter will explain this bigger picture and assist us to enjoy a successful, happy and fulfilling future. He will provide the opportunity for each individual to awaken to their own true path. You will gain knowledge and awareness of how to achieve results in today's environment.

### Raising Your Vibration to Achieve Results

Peter guides people to recognize their potential and empowers them to step out into the world of unlimited possibilities. By learning how to look at things differently, you will discover how to change the course of your business and your life. Using Peter's experience and understanding of alchemy, meditation, teaching and healing, Peter will teach you to open up your own expanding path to a higher level of awareness and consciousness.
