

FOR GOODNESS SAKE

Thursday, September 4th at 6:00pm

Chief Red Hawk

will speak on his book,

"The Tao of an Indian"

"The Tao of an Indian" is a new uplifting translation of The Tao Te Ching. His one hour PowerPoint presentation looks at the wonderful world of East meets West. It is not Red Hawk's intention to simply attempt another translation of the works of Lao-tse, as so many others have done. He is attempting to give a deeper meaning at times to The Tao Te Ching, and most importantly, to give you the reader another testimony of the spiritual meanings imbedded in Lao-tse's work. You will learn how to better balance your personal life by using simple methods taken for the Tao. Red Hawk will give you simple steps to understand how energy is used to create your own reality.

Last year when Red Hawk spoke on the "The First Shamans" it was a complete two-day sellout, so reserving your spots early is highly recommended! 10157 Donner Pass Road, Truckee
