INTEGRITY: Good People, Bad choices, and Life Lessons from the White House

Our speaker will be Egil (Bud) Krogh who directed the White House Plumbers (those later arrested for the Watergate break-in)

Mr. Krogh will relate the history of how, when he was a bright young lawyer, he was hired to work in the Nixon White House. While there, he temporarily lost his moral compass and directed the White House Plumbers, ended up pleading guilty to conspiracy, and served jail time. He has written a book about these Incredible experiences and will tell us the full story.
