We are delighted to let you know that because of many requests, a new book study group is being formed. The book for this group will be Science and Health with Key to the Scriptures, by Mary Baker Eddy, a book that just might change the way you look at life. We anticipate this study to last about 12 weeks. Earleen Norris, who facilitates the Tuesday morning Wisdom Circle, will be facilitating these meetings. Please call For Goodness Sake at 550-8981, if you are interested in joining this group so that we have an idea of how many books to order. We look forward to seeing you in March!!
